

Levent College Welcomes Its New Captains!

The long-awaited captaincy elections at Levent College have concluded. The election process, which garnered significant interest among students, turned into an exciting competition. With high participation from all classes, the Gufi group won the election with great support, earning the right to represent all members in the school council.

The Gufi group, which will take over the captaincy, aims to develop projects that meet students' expectations and contribute to the school's cultural and sports activities. As part of the student council, the group will work to elevate the school to a better place.

Leventathlon: Where Endurance Meets Team Spirit!

The traditional Leventathlon event at Levent College was held with great enthusiasm. Middle school and high school classes, along with teacher groups, fiercely competed on a variety of fun and challenging courses. The event, which emphasized endurance, speed, and teamwork, provided students and teachers with an unforgettable day.

Welcome to the 2024-2025 Academic Year!

We enthusiastically launched the 2024-2025 academic year at our school on September 9th. This new school year will be a period filled with new opportunities and goals for both our students and teachers. We wish all our students success and hope that we will have a wonderful year together.

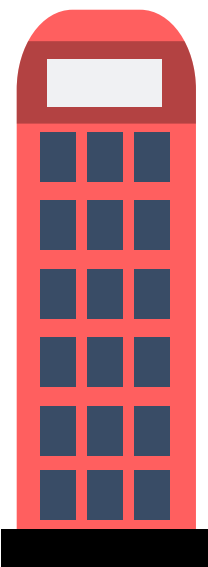

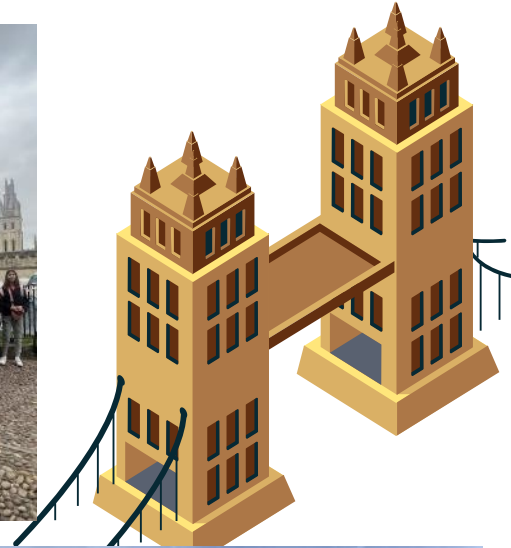

An Unforgettable Experience in London

From June 28 to July 3, our students enriched themselves culturally and academically during their visits to London, Oxford, and Cambridge. One of the trip's highlights was the prestigious universities of Oxford and Cambridge, which provided academic inspiration for our students.

Seeing the historic campuses of these renowned universities generated great excitement among our students. They also visited iconic landmarks and important cultural sites in London, broadening their worldview significantly.

This unforgettable trip helped our students set new goals for the future and significantly contributed to their academic and personal development.

Captaincy Elections at Levent College: Excitement and Solidarity

The captaincy elections held at Levent College were filled with excitement and unforgettable moments. Our three groups, Muse, Nova, and Gufi, added color to the election process through their sportsmanlike competition. Following the elections, our school captain Tan Türkkan, vice-captain Beren Tilki, nutrition officer Arda Akbıçak, press and publication officer Sarp Avcı, and activity officer Sezer Toluk were elected. Our students not only had fun but also developed a sense of responsibility. This process, filled with competitions and activities, showcased one of the finest examples of student solidarity and team spirit. We congratulate all the participants!

Meet and Greet Cocktail for 6th Grade Parents

On October 9, 2024, Levent College hosted a special meet-and-greet cocktail for the parents of our 6th-grade students. This event allowed the parents to connect with one another and engage in one-on-one discussions with the teachers who guide their children through the educational process.

Parents received information from teachers about the curriculum and the teaching methods that will be applied throughout the year. Additionally, essential topics such as the school system, exam schedules, and event plans were thoroughly discussed.

Held in a warm and productive atmosphere, this event significantly strengthened the school-family collaboration to support our students' success. Parents could ask teachers questions directly and gain a better understanding of the school.

At Levent College, we aim to build strong connections with our families and contribute to the development of our students.

Leventathlon Event: Unforgettable Moments

The traditional Leventathlon event at Levent College was filled with thrilling moments for students and teachers. Here are some memorable highlights from the event:

Teamwork: Students supported each other as they conquered challenging courses, achieving success together.

Challenging Obstacles: Participants showcased their endurance and speed while overcoming various obstacles.

Fun Moments: The enjoyable moments created during the competitions brought smiles to all participants.

Tent Camp: A Weekend Full of Adventure and Fun

Levent College students enjoyed an unforgettable weekend immersed in nature for three days at the tent camp in October. The camp program was filled with challenging yet enjoyable activities that allowed students to test their physical and mental endurance. Exciting activities like ziplining, canoeing, and nature hiking were among the favorites.

Throughout the camp, students not only enjoyed the beauty of nature but also developed their teamwork and leadership skills. The thrill of soaring high on the zipline and the joy of connecting with the water during the canoeing activity were highlights of the experience. Nature hikes allowed students to explore the region's natural beauty while shared memories around the campfire strengthened their friendships.

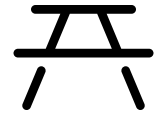

Such events are important to our students' socialization and confidence-building processes. At Levent College, we continue to provide our students with opportunities to connect with nature and enhance their self-esteem alongside their academic achievements.

Levent College Students Enjoy A Fun Day At Taşkent Picnic Area

Levent College students gathered for the traditional school picnic at Taşkent Picnic Area on September 27, 2024. This event, held on a beautiful sunny day, provided a fantastic opportunity for our students to have fun and spend time outdoors with their friends.

Throughout the day, students played various games, went on nature walks, and shared enjoyable moments with their peers. The picnic was entertaining and served as a gathering that strengthened students' social bonds and allowed them to unwind. The picnic reinforced the importance of school spirit and togetherness with teachers who were also in attendance.

At Levent College, social activities are crucial to our students' development, just as academic success does. We will continue to meet our students' relaxation, fun, and socialization needs through such events.

Oktoberfest Excitement!

A Day Filled with German Delights and Music

The Oktoberfest, celebrated with great enthusiasm worldwide in October, was held with great zeal at Levent College this year. Students enjoyed delightful moments while listening to traditional German music and had the opportunity to taste famous German delicacies and beverages.

Meaningful Contributions from Students

The event also featured Oktoberfest-themed souvenirs that attracted considerable interest. Products such as tote bags, bookmarks, and keychains were offered for sale. All proceeds from these sales were donated to various charitable organizations.

Im Oktober wurde das weltweit gefeierte Oktoberfest mit viel Begeisterung an unserer Schule gefeiert. Unsere Schüler hatten die Möglichkeit, traditionelle deutsche Speisen und Getränke zu probieren, begleitet von deutscher Musik. Es wurden Souvenirs mit Oktoberfest-Thema, Stofftaschen, Lesezeichen und Schlüsselanhänger zum Verkauf angeboten. Die Einnahmen aus dem Verkauf wurden für Spenden verwendet.

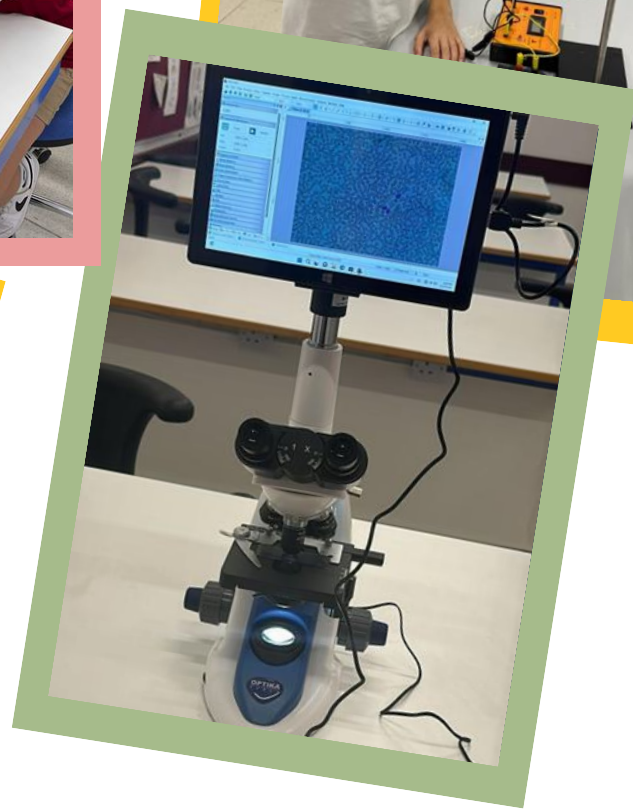

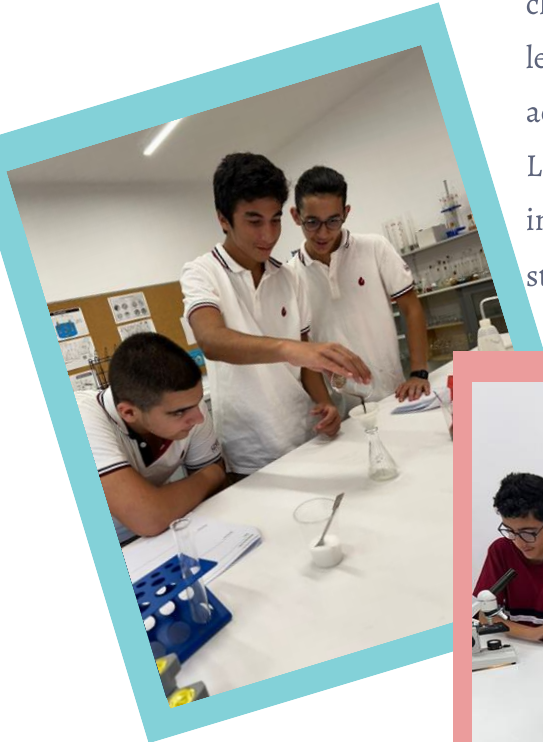

Unlocking The Doors Of Science With Experiments

Our Students Learn Through Experiments in Physics, Chemistry, and Biology Classes

At Levent College, the Science courses for the 2024-2025 academic year have been enriched with laboratory-supported education. In Physics, Chemistry, and Biology classes, our students learn theoretical knowledge and reinforce what they have learned through experiments. This approach allows students to comprehensively acquire the practical skills necessary for future laboratory courses.

Laboratory-supported lessons enhance students' scientific thinking abilities and increase their interest in the sciences. At Levent College, we are not just teaching students knowledge but preparing them for scientific discoveries.

Bookshelf Highlights

Fahrenheit 451

Guy Montag works as a firefighter in a society where books are banned. His job is to find and burn people's books. However, after meeting his young neighbor Clarisse, he questions his life. Clarisse is an individual who encourages thinking and questioning. As Montag is drawn to her, he realizes that his life is empty and becomes aware of the oppressive structure of society.

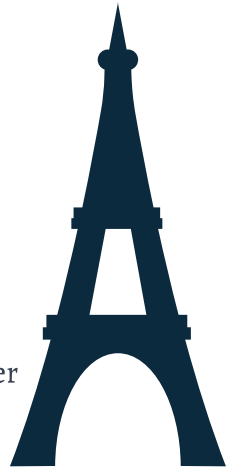

Over time, Montag discovers the power of books and the importance of human thought. In this process, his wife Mildred remains indifferent to Montag's transformation, focusing solely on entertainment and technology. Eventually, Montag begins to read the forbidden books, which significantly changes his life.

The novel emphasizes Montag's transformation and the importance of individual freedom and freedom of thought. "Fahrenheit 451" is a powerful allegory that questions the difficulties of being an individual in a society where thought is suppressed and highlights the importance of access to knowledge. As Montag discovers the power of books, he pursues true freedom for humanity.

Back to School: Starting the Learning Journey

Behind every successful adult is a teacher who inspires them through their words, actions, or passion for a subject. However, a young person's success is also closely related to the daily support they receive at home. Therefore, education is a teamwork effort that requires equal participation from students, parents, and teachers. Let's move forward with courage: We continue, and do not give up!

In line with these thoughts, our French teacher, Samira Ghasemi Tafreshi, mentions that she and her students have created a vocabulary list related to the French learning environment and academic success. This list includes the benefits of learning and positive behaviors in school.

Efforts Amis Sourire Apprendre Persévérance Rire
Réussite Autonomie Respect Écoute Engagement Partage
Patience Honnêteté Détermination Plaisir

La rentrée des classes c'est l'occasion de plonger dans une nouvelle aventure.

Derrière chaque adulte accompli, il y a une enseignante ou un enseignant qui l'a inspiré par ses mots, ses gestes ou sa passion contagieuse pour une matière ou un sujet donnés, mais la réussite d'un jeune dépend aussi du soutien qu'il reçoit chez lui au quotidien. Ainsi, l'éducation est un travail d'équipe où les élèves, les parents et les enseignants doivent participer en part égale. Donc, toutes et tous ensemble, prenons courage : on continue et on ne lâche pas !

Guidés par ces mots, mes élèves et moi, avons choisi une liste de vocabulaire en lien avec le milieu d'apprentissage et la réussite scolaire. Cette liste inclut les avantages de l'apprentissage et les comportements positifs à l'école.

À toutes et à tous, un bon avancement!

Medals Awarded at the Traditional Leventathlon

Champions: "Gommacıklar" for High School and "Jordan JR Team" for Middle School

The winning teams of Levent College's traditional Leventathlon received their awards with great enthusiasm.

In the High School category:

1. **Gommacıklar**
2. **İnciler**
3. **Alagotlar**

In the Middle School category:

1. **Jordan Jr**
2. **Bal FC A2**
3. **Yara Bandı**

Students competing in challenging and fun courses showcased their physical and mental skills, again proving the importance of teamwork and friendship. We congratulate all the students who participated and contributed to this enjoyable event and wish them continued success!

A Journey to the Past with the Lefke Trip

Levent College Students on an Exploration

On October 17, 2024, Levent College's 8th-grade students embarked on an educational trip to the Lefke region. This excursion, rich in nature and history, allowed students to discover the area's cultural treasures while enhancing their social skills through extracurricular activities.

Students explored Lefke's historical sites and natural beauty during the trip, making it a fun and informative experience. Guided by their teachers, the students gained valuable insights into the region's historical and geographical features.

At Levent College, we are committed to supporting not only the academic success of our students but also their cultural and social development through such enriching trips.

Republic Day Celebrated with Enthusiasm!

The 101st anniversary of the founding of the Republic of Turkey was celebrated with great enthusiasm and pride at Levent College. Students and teachers gathered to honor the Republic's values and respectfully commemorate Mustafa Kemal Atatürk and his comrades. The school, adorned with flags and Republic-themed decorations, offered an unforgettable experience to all participants. Once again, Levent College proudly demonstrated its commitment to preserving the values of the Republic and passing them on to future generations.

LEVENT TIMES

Sport

Levent Swimmers Sweep the Medals! A Major Achievement from Levent Sports Swim Team!

Levent Sports Swim Club achieved a historic victory at the 13+ Individual Swimming Championship organized by the Northern Cyprus Water Sports Federation. Our athletes demonstrated exceptional performances across various categories, winning 54 medals: 21 gold, 15 silver, and 18 bronze, making Levent Sports the club with the highest number of medals in the championship.

Levent Sports swimmers outperformed their rivals with their endurance and technical skills throughout the competition. This achievement reflects the hard work and dedication that have been part of our team's long-term training efforts. Our athletes not only showcased their talents but also brought pride to our club by once again placing us at the top.

At Levent Sports Swim Club, we celebrate the success of our athletes and extend our heartfelt thanks to the coaches and parents who supported them.
